*Researches of Quran and Hadith Sciences follows the following objectives:*

1. Giving information and expanding the researches in Qur'ān and Hadith.
2. Providing deserved opportunities for researchers of Qur'ān and Hadith to exchange their ideas and giving an international picture of religion and its components.
3. Providing suitable ground for expressing new ideas, criticizing or explaining them in order to answer the cognitive questions of today's generation and to lay the foundation of religious culture.
4. To pay special attention to contemporary scholar's ideas in the field of religion, especially women's issues with respect to Qur'ān and Hadith.
