*Researches of Quran and Hadith Sciences follows the following objectives:*

- 1.** Giving information and expanding the researches in Qur'ān and Hadith.
- 2.** Providing deserved opportunities for researchers of Qur'ān and Hadith to exchange their ideas and giving an international picture of religion and its components.
- 3.** Providing suitable ground for expressing new ideas, criticizing or explaining them in order to answer the cognitive questions of today's generation and to lay the foundation of religious culture.
- 4.** To pay special attention to contemporary scholar's ideas in the field of religion, especially women's issues with respect to Qur'ān and Hadith.
